## Farewell from the Editor.....

The time has come for me to turn over my quill and pen to the next Publicity Director. I am not running for office for the next year and my last day will be July 1. This will be my last newsletter. My life has taken different turns and changes and I can not commit to this board position at this time. I have enjoyed being on the board and doing the newsletter. We have such a great team, but I am hoping someone else will step up and take over where I have left off.

You will still see me out and about at the range here and there and I am going to volunteer when I can. So if you are interested in this position please contact one of the board members for more information on how to get involved.

As a reminder, we are having several things going on in June. We are hosting the OBH state field Championships this month, we are having another open house, our community lessons are

starting and we have the broad-head league starting Wednesday night June 10th! It is a busy month for us at Sylvan Archers so make sure to check the website for more details on date and times of the events.

It has been a pleasure serving you these past few years and you will see me again on the board, I hope or in a Trustee position or trying something different next time.

Kim Bishop, MS

## Coaches corner and youth updates.....

If you are interested in learning to shoot the field course, or learning to shoot it better, in advance of the state field championships at Sylvan, June 27-28, contact Laurie. She can match you up with mentors in your bow class and organize to shoot the course together.

Congratulations to Brandon Tenner for achieving his level 3 coaching certificate. We now have two board members with level 3. For any of you that are level one coaches, we can sure use the help with our youth programs this summer. If you can volunteer once or twice a month for a couple of hours, that would be great! Please contact Brandon or Laurie to let them know when you can help.

For more information on our youth programs, community lessons or private lessons , getting certified as an instructor or to volunteer to help out, contact:

## 3D and Range updates ....

Broad head League starts this Wednesday the 10th of June! We will be doing the same format as last year with marked and unmarked competition. We have been working with Cabela's to help sponsor some of the prizes you will see etc. So we want to thank them for their continued support of Sylvan Archer's.

As a reminder that the range will be closed for maintenance on Wednesday 9-5 pm June 10th for maintenance. If you have any concerns or questions about that contact Jack Rutz at: [mulliganjack@msn.com](mailto:mulliganjack@msn.com)

We have also been working with the scouts and the police league and some community groups with lessons at the range etc. They usually are there during the day, but if you see them and our coaching staff there, just know that they will be using part of the practice range for their classes.

We are working on getting the course set up and ready for the state field and we also need some help during that weekend. If you can volunteer at anytime during that weekend, please contact OBH and also Laurie Robinson could use some help with the cubs, and showing them where to go etc. So contact her if you are interested in helping. # **Resume for one of our vacant Trustee positions.....**

Anyone wishing to be considered for a Trustee position has to post their resume in our newsletter for the next 3 months. Cliff Hoff has generously, volunteered to apply for one of the open positions. His resume is listed below.

**To: Sylvan Archers, Inc**

**From: Cliff Hoff**

**Re: Resume for candidacy for Sylvan Archers Trustee Board**

**My name is Cliff Hoff and I have been a Sylvan member for nearly 30 years. I have been on the Trustee board for 3 terms in the past. I recognize the need to fill vacancies on that board and I am submitting my name again for consideration.**

**Sylvan's is a great place to recreate and enjoy this great passion of archery. We love spending time with friends and loved ones at the range. My greatest wish is that we preserve Sylvan Archery club for our future generations. I greatly appreciate the supreme efforts many of you have put forth in making Sylvan's what it is today and dream of what it could become in the future. Thank you for your consideration.**
