

Sylvan Archers Newsletter for July 2017!

VOLUME 1 ISSUE 8

JULY 2017

Next board meeting is August 3 at the Sylvan Range Clubhouse 7 PM

President's News.....Kim Bishop

It is finally here! Our signature event for the club, the Sherwood vs Nottingham shoot July 15-16th! If you have not registered yet make sure that you do so as we only have limited slots and if you wait until Saturday we may not be able to accommodate you! Click on this link : [Sylvan Archers](#) and you will find the registration form. The event is part of the [Sherwood Robinhood Festival](#) that starts on Friday July 14 and goes through Sunday July 16.

This shoot takes a lot of help to set up and tear down. We could use some help out at the range on Friday around 9:30 AM to help load the trucks and if you have a large truck and trailer you wish to volunteer to drive so we can load up that is also great! If you can not come to the range at that time, we could use the help unloading and setting up the targets at Edy Ridge School in Sherwood around 11 AM until we are done. Even if you can only come for a couple of hours we can use the help and you can earn credits towards a discount of your membership! I can not believe that a club with over 500 members and we can't find enough volunteers to help with our projects.....

We are also still looking to fill a couple of board positions, so if you are interested let us know!

The B course is complete with new sheds over the bales and the targets are up! Make sure to thank Jack and Karl and the team for getting that done.

Also please remember that you must scan your card or input the gate code each time you enter the premises. Do not just follow in the car in front of you. We are keeping track of who comes and goes and this is for your safety as we do not know who may be coming in behind you and if they are members or not. So please Do Not just drive through!

Looking forward to seeing all at the Nottingham shoot this weekend!

Respectfully Submitted,

Kim Bishop, Club President
