

# Sylvan Archers Newsletter for April 2018

VOLUME 1 ISSUE 3

APRIL 2018

Next board meeting is April 5th at the range 7 PM

## President's News.....Kim Bishop

Spring is upon us and we will be busy at the range!

We have started the permitting process for the new cover for the practice range and hope to have construction started by late spring.

We have a couple of new shoots coming up and one is a safari shoot in May. So check out the flyer for more details. Thanks to Chris Roberts-Olsen and Suzanne Lauber for spearheading this shoot. It is our first time doing this kind of a shoot and I hope we get some good responses.

We also have a 900 round coming up in May and we are hosting the OBH state field championships in June! We are also doing a free class on how to shoot a field tournament! See page 2 for details. So many great things happening this spring!

And if you are up for some fun and a challenge come check out our Steel Challenge tournament in July!

So many great things going on this summer as well!

We want to keep our summer community lessons so if you are interested in volunteering to help teach, even if it is only one or two nights, please let us know

so we can plug you in. We can really use the help and if you are instructor level 1 or higher, we can use you.

Please remember that your dogs MUST be on a leash while at the range. We have had some issues lately with that and it is not fair to the rest of the membership when you let your dog run loose.

We will be looking for some board member positions and a couple of trustee positions. Stay tuned for more information. If interested in volunteering on the board or as a trustee just let us know and we can answer any questions you may have.

Just a reminder:

The board voted in a dues increase, see page 4.

Respectfully submitted,

Kim Bishop, MS  
Club President

## What's happening at the range with classes...

### [FREE CLASSES ON FIELD TOURNAMENT SHOOTING, APRIL 14 & 21](#)

If you love being out on trails in the woods as much as you love archery (especially archery with backstops!), field archery might be the most fun sport you've ever tried. This year Sylvan is hosting the OBH state field championship June 23-24, and USA Archery is holding its national field tournament in Darrington, Washington, June 7-10. Learn the formats well in advance as well as getting tips on equipment and technique in two Saturday afternoon sessions on the beautiful Sylvan courses, April 14 and April 21. Even if you're not interested in competing, shooting on a field course is so varied and enjoyable and you can choose to shoot at closer distances than the competition distances. You can do one class or both, but you need to preregister at least a week ahead by texting or calling me (with any questions, too) at [503-928-2357](tel:503-928-2357) or by email at [archer.laur@gmail.com](mailto:archer.laur@gmail.com). Provide your own equipment. Free for members; non-members can donate \$5 to the club.

USA Archery Level 3 coach,  
2017 and 2018 US Archery Team in masters barebow

NOTICE OF ANNUAL DUES INCREASE.....

The dues for Sylvan Archers has not increased for many years. Costs have gone up, we are in need of new equipment, updates to the roving range and have to pay for part of the new cover for the practice range.

With that being said dues will be increasing on August 1st which is our fiscal year. Everyone who renews on August 1st, 2018 and after will be paying the new rates which are as follows:

Adults: from \$80 to \$100

Juniors and Seniors: from \$50 to \$60

Family: from \$110 to \$130

We are a volunteer ran club, but we still have to pay for maintenance and upkeep and targets etc. If you want to earn points towards a discount on your membership or a free membership, you can always volunteer for the board or for other ongoing club activities. We do not require any work parties as part of our membership and therefore we need to make some changes in our dues structure.

Any questions or concerns on this please contact a board member.
